## MEMBERSHIP TYPES

### FULL MEMBER (C. CHEM.)

These are individuals who have satisfied the formal requirements of the Association and are eligible to call themselves Chartered Chemists and to use the abbreviation C. Chem. after their names;

### ASSOCIATE

These are individuals who are working as chemists, or in chemistry-related fields, and are in the process of fulfilling the formal requirements for membership;

### AFFILIATE

These are student members currently studying chemistry, biochemistry or chemical engineering in an accredited university program.
